

Missions Committee - One of our most active groups at St. Paul's is the Missions Committee. Some of the things they do are organizing yearly work trips for adults; overseeing the operation of the New Beginnings Mission House; organizing cross-cultural mission trips, with the most recent having been to Ghana, West Africa; and managing outreach contributions to area agencies. Mission is a top priority at St. Paul's. The Mission Committee is a great place to serve for the mission-minded member!

Helping Hands Committee - In conjunction with the Property Committee, this group works on minor repairs in the church and provides service to people in need in our community. This is a vital ministry at St. Paul's. Many of our members have been blessed by this ministry. This is a good place to exercise the inner handyman/woman in you!

Parish Visitors - This is a relatively new ministry at St. Paul's, but it is extremely important. Parish visitors volunteer to provide monthly companionship to homebound members of our church. If you have an hour or two to spare each month, then you will not only be a blessing to others but you will be blessed as well.

Opportunity House - Opportunity House is an outreach ministry that provides many services to the city of Reading. One of their ministries is a shelter that houses men, women and families. Volunteers from area churches and other organizations provide meals at the shelter 365 days a year. St. Paul's is part of that volunteer force. Various groups volunteer to serve one meal each month. To find out when our next visit will be, contact the church office. <http://www.opphouse.org>
