

Who can be baptized?

Anyone from an infant to an adult

Do I need to be a member of St. Paul's U.C.C.?

Not necessarily. Although baptism is in part a promise to grow in the life of faith. We feel this is best accomplished by regularly being part of a worshipping community.

When do baptisms happen?

Baptisms happen during our worship services at 8:55 am or 10:25 am on Sunday Morning. Generally we perform our baptisms on the last Sunday of the month. However, if this does not work for, just let us know and we will find a Sunday that works for both you and the pastors.

Who does the baptism?

One or both of our pastors usually share in the actual baptism service. If you or your family has a special connection to either Pastor Pat or Pastor John then that pastor will take the lead for your service.

Do I need Godparents for my child?

No, you are not required to have Godparents, but if you select them we will include them in the service.

Who do I contact to arrange a baptism?

Please call the church office (610-944-5963) or e-mail churchofficestpaulsfleetwood@gmail.com, and the secretary will forward your request to the pastors.

I have more questions than were answered here, who can I call?

Again, please call or e-mail us with any questions. We're happy to discuss details, questions, or concerns with you.
