

## **The Act of Gathering**

As you enter our sanctuary of God, use the time to clear your heart and mind through quiet time and prayer. As you listen to the music of the prelude, prepare yourself to receive the message God has for you.

We welcome any prayer requests; please find a prayer request card in the pew rack. These cards will be collected during the responsive hymn (generally the second hymn during the service). Other services of worship, which highlight the life and ministry of Jesus and the Church, are held throughout the year. There are special weekday services during Lent and Holy Week prior to Easter. An interdenominational service is held in the community for Thanksgiving. Christmas Eve also offers several kinds of worship experiences for every age.

**Please call the office for a schedule of special worship services.**
